Dear Member(s)

**Re: Pruning Workshop - Saturday, 13th March 2027 - 10am - 12.30pm at
The Harralds, Grove Road, Gissing, Diss, IP22 5XA**

For next year, our workshop will be practical, when we look at the art of pruning - something that sometimes worries people in case they do irreparable damage to a favourite shrub or tree. So...the workshop will be led by Ian Roofe in the garden of our former Chair and plantswoman, Janet Sleep.

During our morning at the Harralds we will look at the tools that we need to prune successfully, why we prune and the different outcomes from varying techniques. We will look at some case studies round the garden and will aim to cover roses, garden shrubs and some fruit too. There is a lot to pack in on a subject like this, but luckily methods and techniques overlap. There will be time for questions throughout the morning.

As usual, numbers will be limited to 12 participants, but a further session will be arranged for the afternoon if demand necessitates this. The cost will be £10 per person and restricted, at least initially, to members only. In order to reserve a place, please use the reply slip below. Alternatively, you can pay by BACS: Account Name: Norfolk Plant Heritage - Account No:44891760 - Sort Code: 30-54-66 - Reference:(Person's name) - Prune. **Please email me if you use this method of payment. My email is kathygrayc@gmail.com;** it would be helpful if you can also return the slip below. Thank you. In conclusion, I look forward to hearing from you for what promises to be an interesting and informative morning.

With best wishes
Kathy Gray
Programme Secretary
