Dear Members

Re: Garden tour to Sandringham House, PE35 6AB – Wednesday, 22 April 2026 from 10am

We have another opportunity for a guided tour at Sandringham House with Jack Lindfield, Head Gardener. The tour will last for approximately 2 hours and include the opportunity to see the Magnolias which will, hopefully, be in bloom. Those of you who came on the last tour we had with Jack will remember how much has been accomplished in the garden of late and there will be more to see. We need to arrive for 10am and Jack will meet us in the Visitor Centre Courtyard. Afterwards, we will be free to stay on site to walk around the gardens further and perhaps purchase some lunch at the Stables Café located in the gardens or the catering outlets back at the Visitor Centre before departing.

The tour, which is for members only and limited to 30 people, is free of charge. We will, however, have to pay a parking fee of £5 per vehicle. I have to give Sandringham a list of all vehicle registration numbers and this has to be done 3 weeks in advance. So – if you would like to come along you can either fill in the slip below and send it to me with a cheque and your car registration number or you can pay by BACS, in which case you need to email me with the relevant details – kathygrayc@gmail.com BACS details are as follows:- Account Name: Norfolk Plant Heritage - Account No:44891760 - Sort Code: 30-54-66 - Reference:(Person's name) – Sand **Whichever method you choose, I must have all the relevant details by Wednesday 1st April. Please read this letter carefully so you are aware of the time constraints etc. I'd hate you to miss out! Thank you.**

With best wishes

Kathy Gray
